Traditional Illustration & Design

Created with traditional design techniques, these pieces were made by hand and without a computer in a college course.

The process of creating designs without a computer to guide alignments of text or photos made it essential to plan everything and add details with extreme precision. Each piece is created to scale for its context.

These pieces were created in a course at Huntington University in Adobe Photoshop or Illustrator by the requirements of the assignments. Each piece fits a different type of graphic design marketing - from vinyl covers to state park posters and marketing pieces.

Vinyl Cover Design

Graphic Design Digital Illustration

This piece is vinyl design assignment for a re-release of an album for a 30 year anniversary of the original. Created in Adobe Illustrator, this piece follows the color scheme of the original album cover but keeps the updated logo and references the changes that have happened in the band.

Dimensions: 12.5 in x 12.5 in

Channel Islands National Park Poster

Graphic Design Digital Illustration

This piece was created in Adobe Illustrator to make new versions of a National Park poster and stamp. Focused assignment to work on one design for extra large and extra small pieces.

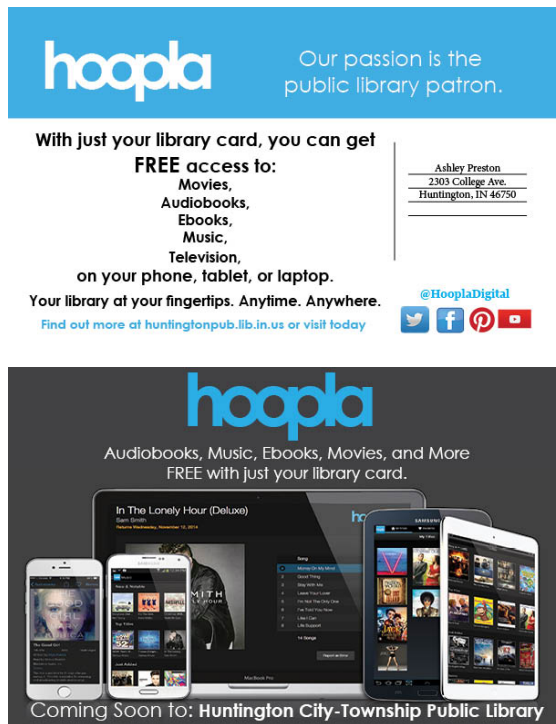

Dimensions: 20 in x 36 in

Hoopla Postcard

Graphic Design Digital Illustration

This piece is to be a potential marketing postcard for Hoopla, a reading service that is used by libraries for easier access for their community visitors. Created in Adobe InDesign, this piece makes use of Hoopla's logos and adds customized text for the public library in Huntington.

Dimensions: 8.5 in x 5.5 in

Book Fair Poster

Graphic Design Digital Illustration

This piece is to be a potential Scholastic Book Fair theme made into a poster in Adobe Photoshop. Created with reference photos and drawn with Photoshop brushes.

This is a piece that is currently being reworked for personal use.

Dimensions: 32.25 in x 21.75 in

Graphic Design Commissioned Work

This section includes work created in and out of class at Huntington University, mostly by personal commission or group work for the Advertising Federation of Fort Wayne's annual Pitch project.

Most pieces were created with Adobe InDesign. Each piece included time spent with clients to work on the specifications that the client wanted. This includes a movie poster in a selected style by the client, wedding invitations created with the bride involved, and stickers created with the approval of professors.

Graphic Design Internship at FASTSIGNS

Completing an internship for Huntington University was the last necessary action for graduation. I was blessed to enjoy almost three weeks with FASTSIGNS in Fort Wayne, IN and complete many projects with them for their customers.

Projects included in this section were designed by me with some supervision and customer final approval. I worked on creating the designs, making sure that the print was in good shape and finished production on most of the projects to be picked up by customers.

Custom 21st Birthday Symbol

Graphic Design Internship at FASTSIGNS

This was created as part of a yard sign design requested by a customer for a 21st birthday party. Custom creation of the foaming beer in place of the "1".

Dimensions: Unknown

"Watch Your Step" Sidewalk Sticker

Graphic Design Internship at FASTSIGNS

This design was a custom sidewalk sticker set up for the front entrance to FASTSIGNS. Created as one of my first internship projects.

Dimensions: Unknown

Game Quest Parking Sign

Graphic Design Internship at FASTSIGNS

This design was created for a client's new metal parking signs. Use of client company's logo and requested text for specific parking signs. Vinyl on aluminum signs.

Dimensions: 12" x 18"

Superior Auto Wash Updated Menu Designs

Graphic Design Internship at FASTSIGNS

This design was an update to the Superior Auto Wash menu board for their location. The top design is for a separate menu board than the bottom, which was to be placed as an addition on the main menu.

Dimensions: 6" x 6" and 30" x 10"

"Nana's Kitchen" Branding Decals and Business Cards

Graphic Design Internship at FASTSIGNS

These designs are for a at-home run catering business business cards and sticker decals to be placed on each order. The client requested the use of a personal photo to be used in the center of the design.

Dimensions: 2" x 2" and 2" x 4.5"

Family Food Truck Night

Central Ministries Family Food Night Banner

Graphic Design Internship at EASTSIGNS

This design is a double-sided printed banner for Central Ministries for their Family Food Truck event. I helped design the banner and then took this banner from the printer to the production table to punch with a grommet machine to get it ready for the customer to pick up.

Dimensions: 72" x 36"

"Free Produce" Yard Signs

Graphic Design Internship at FASTSIGNS

This design was meant for advertising for roadside produce and I was able to design several options for the client and this is the chosen design. I worked to design and print, laminate the designs onto coroplast signs.

Dimensions: 36" x 24"

Fort Wayne Parks and Rec “Share the Path” Signs

Graphic Design Internship at FASTSIGNS

I designed this for the Fort Wayne Parks and Recreation Department to place on trails in Fort Wayne. I designed and printed the approved vinyl designs. Laminated the designs on aluminum pre-made signs and cut and weeding the vinyl on the signs to make them ready for customer pickup.

Dimensions: 18”x 24”

Dominoes "Now Hiring" Banner

Graphic Design Internship at FASTSIGNS

This design was created as a printed banner with grommets for display. I designed the banner and used the grommet machine to place the grommets in the final printed design to complete the banner for the client to pickup.

Dimensions: 148" x 48"

El Azteca New Hours Signs

Graphic Design Internship at FASTSIGNS

These three designs were to update the hours of the restaurant on three different locations around the store. Each design was vinyl designs placed on custom Max Metal pieces. I laminated each design and cut and weeded each sign to finalize the order.

Dimensions: 15.75"x 23.75"

In-House Design Request for Small Metal Signs

Graphic Design Internship at FASTSIGNS

This project was a request by my supervisor at the internship for a personal project. I worked with her to create an a final design. I printed and laminated the vinyl design, prepped the metal pieces for each design with punched holes in every piece, cut and weeded the vinyl for each design. A total of 20 signs for this project.

Dimensions: 12" x 18"
